

**CANDIDATE FOR DIRECTOR  
CHINO VALLEY INDEPENDENT FIRE DISTRICT**

**NAME: TINA MORENO REVANE**

**AGE: 53**

**OCCUPATION: Incumbent Fire Director**

It has been my pleasure to serve the citizens of Chino Valley as a Director on Chino Valley Independent Fire District for approximately nine years. I ask for your vote so that I can continue to work for you, doing my part to keep our citizens safe.

During my tenure the District has increase our Paramedic coverage, moved station 62 to a new location in Butterfield, providing faster response times. Using a Federal Grant from Homeland Security the District has placed Automated External Defibrillators (AED) in strategic areas throughout the District. The District has also increased safety education in our grade schools with the "Risk Watch" program. The District has developed a 25 year plan that we visit each year, making adjustments as needed.

As a woman, wife and mother along with my extensive work experience in health care management, I bring an important unique perspective to the Fire Board. It has been my job to work to keep the District fiscally sound and one that will be able to serve the citizens for generations to come. Thank you for voting.
